RESILIENCE DURING CHALLENGING TIMES: TESTIMONIES THAT PROVIDE HOPE

Starting April 17 – May 29
Fridays from 3 - 4 pm with live Q&A

Hear about a form of resilience each week from Holocaust survivors, authors & family members.

The focus of our program is **RESILIENCE & HOPE**. How did the survivors get through that difficult time & manage to go on after those dark days? What perspectives can we learn from their loved ones? The goal is to provide hope for people today who are scared of our current day challenges.
